

# Product Application Manual

**PREPARE:**

Vacuum the surface to remove any visible dirt.

**DEGREASE:**

Clean any spots with a mild cleaner.

**SUITABLE FOR:**

✔ Leather    ✔ Vinyl    ✔ Plastic

## PRODUCT APPLICATION INSTRUCTIONS:

Gently shake the Fabric Bottle before use.

**TIP:** Before you apply the coating, test it on a small surface to avoid discoloration.

Spray enough product on the surface to make it slightly damp. Do not wipe the surface after the coating is applied.

Allow the ceramic coating to dry for at least 6 hours.
